Installing the SentiCard® Utility 3.x for Windows

Introduction

You will use the **SentiCard® Utility 3.x** and your SentiCard® Reader to renew your SentiCard®, access other functions, such as the Lockbox Web site, and how to change your PIN. Use the instructions below to download and install the **SentiCard® Utility 3.x** and your SentiCard® Reader on a Windows computer.

Note: Mac users, please visit <http://www.sentrilock.com/cu3> to download the program and installation instructions.

Windows System Requirements

To install the **SentiCard® Utility 3.x**, you must have the following requirements:

- SentiCard® Reader
- Windows® XP SP3/Windows® Vista/Windows® 7 (32 and 64 bit versions supported)
- Firefox 2.0 or higher/Internet Explorer 6 SP2 or higher/Google Chrome

How to Install the SentiCard® Utility 3.x for Windows

1. Browse to <http://www.sentrilock.com/cu3> and click **SentiCard® Utility 3.x Free Download**.
2. Save the **SentiCardUtilityInstraller.exe** file to your **Desktop** or default location.
3. From your **Desktop** or default location, double-click **SentiCardUtilityInstraller.exe**.
4. From the **Open File** window, click **Run**. If prompted to install Java, click **OK** on the **Setup** window.
5. Click **Next** on the **Setup-SentiCard Utility 3** window.
6. On the **License Agreement** window, review the agreement and choose the **I accept the agreement** radio button. Click **Next**.
7. Click **Install**. During the installation, Java may automatically install. Click **Next** in the **Device Driver Installation Wizard**.
8. When prompted, click **Finish** to complete the **SentiCard® Utility installation**.
9. Plug your SentiCard® Reader into a USB port on your computer and insert your SentiCard® into the SentiCard® Reader.
10. The **User Name** field displays your Sentrilock ID. Enter your password and click **Click to Login** to login to **SentiCard® Utility**.

Summary

If you have any difficulty installing the **SentiCard® Utility** on a Windows computer, please contact Sentrilock Support at 1-877-736-8745 for further assistance.

Installing the SentiCard® Utility 3.x for Mac OS X

Introduction

You will use the **SentiCard® Utility 3.x** and your SentiCard® Reader to renew your SentiCard® and access other functions, such as the Lockbox Web site and how to change your PIN. Use the instructions below to download and install the **SentiCard® Utility 3.x** and your SentiCard® Reader on a Mac OS X.

Mac System Requirements

To install the **SentiCard® Utility 3.x** on a Mac, you must have the following requirements:

- SentiCard® Reader
- Mac OS X/Snow Leopard 10.6 or higher
- Intel Based Mac
- Firefox/Safari/Google Chrome

How to Install the SentiCard® Utility 3.x for Mac OS X

1. Use your Web browser to go to <http://www.sentrilock.com/cu3>.
2. Click on the **SentiCard® Utility 3.x Free Download** button.
3. The file will download and automatically go to your **Downloads** list.
4. When it is finished downloading, open your **Downloads** list and double-click on the **SentiCard® Utility 3.x dmg** download.
5. Drag the Sentrilock icon to your **Applications** folder.

6. Open your **Applications** folder.
7. Plug your SentiCard® Reader into a USB port on your Mac.
8. Open the **SentiCard® Utility** from the icon in your **Applications** folder.
9. Insert your SentiCard® into the SentiCard® Reader.

10. Enter your password and click **Click to Login**.

11. Once logged into the **SentriCard® Utility**, you can perform basic card functions such as renewing your SentriCard®.

How to Pin the SentriCard® Utility 3.x to the Dock or Make the SentriCard® Utility 3.x Open Automatically at Login

1. Click and hold the mouse or touchpad button on the **SentriCard® Utility 3.x** icon while it is in the **Dock**.
2. When the **Options** menu appears, hover over **Options** and click on either **Keep in Dock** (to pin the **SentriCard® Utility 3.x** icon to your **Dock**) or click on **Open at Login** (to set the **SentriCard® Utility 3.x** to start automatically when you turn on your Mac).

Summary

If you have any difficulty installing the **SentriCard® Utility** on a Mac OS X, please contact Sentrilock Support at 1-877-736-8745 for further assistance.
