

Introducing E-Signatures for WEBForms®

CREA has been working with two e-signature providers to enhance your WEBForms® experience and give you and your clients more signing flexibility.

Add-on Highlights

- Save time & money. No printing. No faxing. No driving across town to get signatures.
- Enhance customer satisfaction. Clients can easily sign documents anytime, anywhere.

CREA has negotiated special member pricing with both e-signature solutions:

	
\$199/year - Learn more	\$39/year – Learn more
Training Centre	Training Videos

Getting Started

To access the E-Signatures add-on select the new tab titled: “Add-on Services”.

For detailed instructions on setting up your E-Signature solution visit the vendor training centres or [Click here](#) (complete with screen shots to show what you will see online).
